Hi Greg,

Thank you for your support in donating labour, for the value of \$1101.06 to repair our telephone system at our Children's Camp. Your help is greatly appreciated.

Our outdoor education programs and facilities at our center are made available free of charge to children from small and large communities from Red Deer to Calgary. And we have been offering programs now for almost fifteen years. We are a non-for-profit group registered with the Province of Alberta. Help given by businesses like yours assists in making it possible for children to be creatively engaged in worthwhile educational programs and activities. We would be happy to have you on our family list of supporters.

Sincerely,

Ernie DelPinto, Administration  
403 - 722-4041

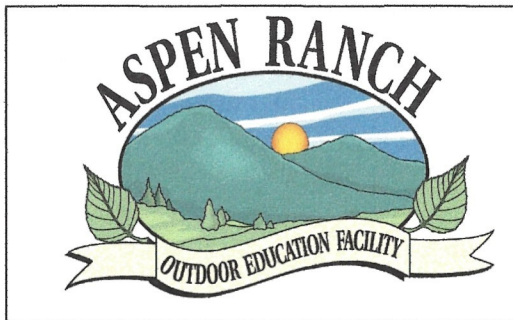

# Certificate of Appreciation 2021
